

Town of Lincoln

Taxpayer Notice

The Town Tax Bills for 2021 are being mailed to property owners for Residential and Commercial property as well as Tangible Personal Property.

Motor Vehicle tax bills are not being sent at this time due to the uncertainty surrounding the state budget process. There may be changes to the Motor Vehicle tax phase-out program so the town will wait until the state budget is finalized before sending that tax bill. Quarterly due dates for that tax will be adjusted accordingly.
