PRESS RELEASE

Lincoln's Deputy Town Clerk, Maureen Smith, announced that town employees will join the American Heart Association's ***Go Red for Women*** 2006 campaign to raise awareness to women's heart health.

Smith said. "We will be raising awareness and research dollars for the #1 killer of women in America. Our Campaign will end on Friday, February 3, 2006 with a dress down day where we will encourage all employees to wear their favorite red attire."

Town Administrator Sue P. Sheppard endorses and supports the effort by town employees and Sheppard said, "***Go Red for Women*** is one of the most important health awareness initiatives for women."

Sheppard added, "The Town Clerk's office is always at the forefront of women's health awareness, encouraging support for all women's health issues. Our town is fortunate to have employees who care about making our community healthy."

Information for the ***Go Red for Women*** and the 17th annual Heart Association Walk is available at the Lincoln Town Hall.
