

Opening for Planning Board Member

There is an opening for a Planning Board Member to represent District 2/Lonsdale.

The Lincoln Planning Board implements the Town's Subdivision regulations governing the subdivision of land in accordance with State Law. In general, these regulations are designed to promote a coordinated development of unbuilt or redeveloped areas within the Town. All new developments must conform to the Town's Comprehensive Plan.

Experience that would be beneficial are understanding and making reasonable interpretations of regulations, working with the public sector, and reading building plans.

Please send a letter of interest to Councilman John W Flynn, 23 Holiday Drive, Lincoln, RI 02865
