

The Town of Lincoln has a Redevelopment Agency. The purpose of the Agency is to encourage, direct, and regulate new development. The immediate focus of the Agency is the Lonsdale Bleachery Area.

The Agency is comprised of seven resident electors of the Town of Lincoln, five appointed by the Town Council and two appointed by the Administrator.

There are two vacancies on the Redevelopment Agency. Letters of Interest to be appointed by the Town Council should be addressed to Karen Allen, Town Clerk, Lincoln Town Hall, 100 Old River Road, Lincoln RI, 02865

It is preferable that members of the agency possess qualifications in fields that will be beneficial to the Agency. This would include legal, architectural, engineering, real estate, finance, construction, and environmental fields.
