

WEATHER SAFETY DISCUSSION DECEMBER 18 @ 6:30PM

Lincoln Public Library – 145 Old River Rd. Lincoln, RI

The town of Lincoln is seeking recognition to become a StormReady community to become more prepared for a severe weather event by helping emergency managers strengthen local safety programs. Through the application process, a community must promote the importance of preparedness and readiness to its community members.

Join Rhode Island Emergency Management Agency (RIEMA) and Lincoln officials to learn how you can become better prepared for a severe weather incident in your community.

All community
members welcome
